Dear Diego,

On behalf of The Volunteer Action Center, Florida International University, and Habitat for Humanity, I would like to extend our deepest appreciation for all your efforts and help on September 7. Without volunteers like yourself this event would not have been possible.

Many impoverished people have no other way to improve their way of living, but through non-profit organizations like Habitat for Humanity and volunteers like yourself, fantastic improvements are made. You and others like yourself provide hope in this world by spending a precious commodity as your time to help others less fortunate than most.

Once again thank you for all your help. If you are interested in participating for another event, or if you have a great idea about some other placement that needs helping hands please call The Volunteer Action Center at 348-2149 and ask for Sean Kramer or Lynnette Buckmaster

Sincerely,

Lynnette Buckmaster  
VAC Assistant Coordinator
